GUIDANCE NOTES FOR RULES OF DEBATE AT MEETINGS OF COUNCIL

Part 4, Council Procedure Rules of the Constitution

The basics

At a meeting of Full Council, Members shall stand when speaking unless unable to do so and shall address the Chair.

While a Member is speaking, other Members shall remain seated unless rising for a point of order, a point of information or in personal explanation.

No speeches may be made after the mover had moved a proposal and explained the purpose of it until the motion has been seconded.

Unless notice of motion has already been given, the Chair may require it to be written down and handed to him before it is discussed.

When seconding a motion or amendment, a member may reserve their speech until later in the debate.

Speeches must be directed to the question under discussion or to be personal explanation or point of order.

A speech by the mover of a motion may not exceed 5 minutes without the consent of the Chair.

Speeches by other Members may not exceed 3 minutes without the consent of the Chair, unless when the Council's annual budget is under discussion, the leader of each political group on the Council may speak for up to 5 minutes or such longer period as the Chair shall allow.

The rules of Question Time

At a meeting of the Council, other than the Annual meeting, a Member of the Council may ask the Leader or the chair of a committee any question without notice upon an item of the report of a committee when that item is being received or under consideration by the Council.

North Devon Council protocol on recording/filming at Council meetings

The Council is committed to openness and transparency in its decision-making. Recording is permitted at Council meetings that are open to the public. The Council understands that some members of the public attending its meetings may not wish to be recorded. The Chairman of the meeting will make sure any request not to be recorded is respected.

The rules that the Council will apply are:

1. The recording must be overt (clearly visible to anyone at the meeting) and must not disrupt proceedings. The Council will put signs up at any meeting where we know recording is taking place.
2. The Chairman of the meeting has absolute discretion to stop or suspend recording if, in their opinion, continuing to do so would prejudice proceedings at the meeting or if the person recording is in breach of these rules.
3. We will ask for recording to stop if the meeting goes into 'part B' where the public is excluded for confidentiality reasons. In such a case, the person filming should leave the room ensuring all recording equipment is switched off.
4. Any member of the public has the right not to be recorded. We ensure that agendas for, and signage at, Council meetings make it clear that recording can take place – anyone not wishing to be recorded must advise the Chairman at the earliest opportunity.
5. The recording should not be edited in a way that could lead to misinterpretation or misrepresentation of the proceedings or in a way that ridicules or shows a lack of respect for those in the recording. The Council would expect any recording in breach of these rules to be removed from public view.

NORTH DEVON COUNCIL

POLICY DEVELOPMENT COMMITTEE: 9TH FEBRUARY 2023

MINUTE EXTRACT OF THE STRATEGY AND RESOURCES COMMITTEE HELD ON 6TH FEBRUARY 2023 IN RESPECT OF ITEM 7 ON THE POLICY DEVELOPMENT COMMITTEE AGENDA

92 REVIEW OF FEES AND CHARGES 2023/24

The Committee considered a report by the Director of Resources and Deputy Chief Executive (circulated previously) regarding the review of Charges and Fees for 2023/24 together with Minute Extract of Strategy and Resources on 6th February 2023.

The Finance Manager highlighted the following:

- The charges for the provision of services were reviewed annually in the context of policy guidance within the Medium Term Financial Strategy, and the recommended levels of increase to produce a target income level.
- This year the guidance was to increase fees and charges by 5%, although some fees were set by statute and these would be set nationally. Other variations to the 5% increase were set out in paragraphs 4.3 to 4.9 of the report. Even though inflation was currently running much higher than the 5% increase the Council had tried to be prudent and fair in the fees charged and the impact this had on customers.
- Full Council approved, at the January 2023 meeting, that Building Control Services fees should be raised by an average of 8% and rounded to the nearest pound, this was to ensure the revenue income recoups the actual cost of providing the service. The already approved fees were shown within the table of charges at Appendix B.
- Land Charges fees had been set to recoup the cost of providing the service, without changing the current fees the land charges service was still budgeted to recover all the costs and break even as shown at Appendix D.
- There was one change to the Environmental Health fees, as the majority of these were set by Statute or set to recover costs. The only change was the introduction of a £110 fee (+VAT) for Food Business Operator requested Food Hygiene revisit as shown at Appendix E.
- After a discussion with the Crematorium Manager, a correction was required on the table of fees as shown at Appendix F. The correction was to the following: "Fees to purchase the exclusive right of burial for 30 years which include the right to erect a memorial" the Columns "Fee" and cost to a North Devon resident were both £0.
- Pannier Market – Due to the refurbishment works underway in the Pannier Market this financial year as part of the Future High Streets Fund project and the inevitable disruption to the operation of the market, the proposal was to not increase the charges for traders for 2023/24 year as shown at Appendix H.
- Bulky Waste – To increase the fees as follows:

- Up to 2 items £23.00 (27.78% increase).
 - Up to 3 items £31.00 (19.23% increase).
 - Up to 4 items £38.00 (15.15% increase).
- The above increases bring North Devon Council prices in line with neighbouring authorities and allowed for the recommended 5% increase for 2023-24 as detailed at Appendix I.
 - Full Council approved at its November 2022 meeting to increase the Garden Waste charge for 2023-24 to £55 per bin. A revised costing of providing the service, taking into account current year and estimated inflation for 2023-24 was indicating that the service cost was now in the region of around £56-£58 per bin for those customers that subscribe. This level of charge was similar to the charges made by other Devon councils as detailed in Appendix J.
 - Dog Waste – A strategic decision had been made to keep the Dog waste charges the same as 2023-23 pending a review of the pricing structures moving forwards as detailed at Appendix L.
 - The net revenue changes from the above charges were estimated to produce £183,000 of additional income, which had been included within the draft 2023/24 revenue budget.

In response regarding the increase in Building Control fees. The Accountancy Services Manager advised that this was to cover the recruitment costs associated with the vacant Building Control posts, whereby the Council had offered a 10% market supplement as part of the employment package in order to attract applications to the various posts within the service.

The Committee thanked the Finance Manager and the team for not increasing the Pannier Market trader fees and the dog waste charges.

RESOLVED, that the decisions and recommendations of the Strategy and Resources Committee be endorsed.
