## **North Devon Council protocol on recording/filming at Council meetings**

The Council is committed to openness and transparency in its decision-making. Recording is permitted at Council meetings that are open to the public. Members of the public that attend meetings must be aware that these meetings are open to the public and so therefore both individuals and the Council itself have the right to record the meeting. The Council understands that some members of the public attending its meetings may not wish to be filmed. The Chair of the meeting will make sure any request not to be filmed is respected.

The rules that the Council will apply are:

1. The recording must be overt (clearly visible to anyone at the meeting) and must not disrupt proceedings. The Council will put signs up at any meeting where we know recording is taking place.
2. The Chair of the meeting has absolute discretion to stop or suspend recording if, in their opinion, continuing to do so would prejudice proceedings at the meeting or if the person recording is in breach of these rules.
3. We will ask for recording to stop if the meeting goes into 'part B' where the public is excluded for confidentiality reasons. In such a case, the person recording should leave the room ensuring all recording equipment is switched off.
4. Any member of the public has the right not to be filmed. We ensure that agendas for, and signage at, Council meetings make it clear that recording can take place – anyone not wishing to be filmed must advise the Chair at the earliest opportunity to allow them to be directed to an area in the room where they will not be caught on camera. Subject to paragraphs 1, 2 and 3 above, audio recordings shall be permitted at all times during public meetings.
5. The recording should not be edited in a way that could lead to misinterpretation or misrepresentation of the proceedings or in a way that ridicules or shows a lack of respect for those in the recording. The Council would expect any recording in breach of these rules to be removed from public view.

### POLICY DEVELOPMENT COMMITTEE: 12<sup>TH</sup> FEBRUARY 2024

#### MINUTE EXTRACT OF THE STRATEGY AND RESOURCES COMMITTEE HELD ON 5<sup>TH</sup> FEBRUARY 2024 IN RESPECT OF ITEM 10(A) ON THE POLICY DEVELOPMENT COMMITTEE AGENDA

#### 92. 10 YEAR CAPITAL STRATEGY 2024-2034

The Committee considered a report by the Head of Governance (circulated previously) regarding the 10 Year Capital Strategy 2024 to 2034.

The Director of Resources and Deputy Chief Executive highlighted the following:

- The Capital Strategy was a high-level longer term review of the capital priorities, capital investment ambition, available resources, affordability and risk management in the context of ensuring the long-term financial sustainability of this authority.
- The report was broken down into two time frames; firstly the medium term and secondly the long term from 2028-29 through to 2033-34.
- Ongoing financial commitments of the Council were identified in section 4.5 of the report.
- The total Capital Financing Requirement, or borrowing need, for 2028-29 was projected at just over £36 million and dropped to just over £30 million for year 2033-34.
- The projected External Borrowing figure was just over £23 million and dropped to just over £19 million for year 2033-34.

RECOMMENDED that Council approve the Capital Strategy 2024/25 to 2033/34.
