PLANNING SITE INSPECTION GOOD PRACTICE	
Do try to attend site visits organised by the Council where possible	Don't hear representations from the applicant or third parties
Do ensure that you treat the site inspection only as an opportunity to seek information and to observe the site	Don't express opinions or views to anyone
Do ask questions or seek clarification of matters which are relevant to the site inspection	Don't visit a site on your own, even in response to an invitation, unless you have spoken to the Planning Department.
