North Devon Council protocol on recording/filming at Council meetings

The Council is committed to openness and transparency in its decision-making. Recording is permitted at Council meetings that are open to the public. Members of the public that attend meetings must be aware that these meetings are open to the public and so therefore both individuals and the Council itself have the right to record the meeting. The Council understands that some members of the public attending its meetings may not wish to be filmed. The Chair of the meeting will make sure any request not to be filmed is respected.

The rules that the Council will apply are:

1. The recording must be overt (clearly visible to anyone at the meeting) and must not disrupt proceedings. The Council will put signs up at any meeting where we know recording is taking place.
2. The Chair of the meeting has absolute discretion to stop or suspend recording if, in their opinion, continuing to do so would prejudice proceedings at the meeting or if the person recording is in breach of these rules.
3. We will ask for recording to stop if the meeting goes into 'part B' where the public is excluded for confidentiality reasons. In such a case, the person recording should leave the room ensuring all recording equipment is switched off.
4. Any member of the public has the right not to be filmed. We ensure that agendas for, and signage at, Council meetings make it clear that recording can take place – anyone not wishing to be filmed must advise the Chair at the earliest opportunity to allow them to be directed to an area in the room where they will not be caught on camera. Subject to paragraphs 1, 2 and 3 above, audio recordings shall be permitted at all times during public meetings.
5. The recording should not be edited in a way that could lead to misinterpretation or misrepresentation of the proceedings or in a way that ridicules or shows a lack of respect for those in the recording. The Council would expect any recording in breach of these rules to be removed from public view.

Notes for guidance:

Please contact either our Corporate and Community Services team or our Communications team in advance of the meeting you wish to record at so we can make all the necessary arrangements for you on the day.
