Dear Sir/Madam

**Licensing Act 2003
Application for a Variation to a Premises Licence
Premises: The Old Cream Shop, 8 Hobbs Hill, Croyde, EX33 1LZ**

I refer to the application received on 21 August 2020 for the above premises.

Based on the information provided the Fire and Rescue Authority has no observations to this application.

The responsible person for the premises must carry out a fire risk assessment, record significant findings and take appropriate action. The Fire and Rescue Authority considers that the significant findings should include an evaluation of the means of escape and the number of people that can safely be accommodated on the premises; this capacity should include all people on the premises including staff and performers.

Further information can be found in the "Your Safety" section of our website:

Yours faithfully

**Paul Nolan
