Additional Charges Explanation

Extra Service	The equivalent to an assisted collection for TW - charged at per bin/ per collection to a maximum of 5 bins per property.
Ticket/Extra Collections	(+4%) against last year to discourage customers from tickets. Extra 2% is to cover administrative costs in processing extra collections and ticket collections
Side Waste	(+10%) as a penalty for presenting excess/side waste - customers will be given leaflets on how they can reduce their refuse and how to alter their agreement
Gull Guard Hire	not previously put in price plan for 20/21 (few customers have this service and therefore need a price)
770 Ltr	not previously put in price plan for 20/21 (few customers have this service and therefore need a price)
770 Ltr Rental	not previously put in price plan for 20/21 (few customers have this service and therefore need a price)
Bin Care Annual	Paid each year that indemnifies the customer for loss, theft, repair or replacement of their container for the agreement

Other Charges

Account Changes/ Admin Fee	£11.04	Applied after any account change after the agreement has been renewed and/or confirmed
Contamination Charge Refuse	£114.00	any other material that the driver confirms from the premises (with photo evidence) that results in the authority being charged by Suez
Contamination Charge Recycling	£130.00	any other material that the driver confirms from the premises (with photo evidence) that results in the entire load going to landfill and therefore being charged by Suez. Cost is higher than refuse due to loosing credits from DCC.
Recovery due to non payment Charge	£35.00	for debt recovery purposes - the TW will issue a reminder followed by a warning and then a final warning, the TW officer will add a recovery charge when the account has been suspended and containers have been removed from the premises
Returns Charge	£45.00	customer will be offered a reduced amount of £25 if they pay within 48 hours, otherwise this charge will be added to return the containers to the premises
Cancellation no notice	three months worth of agreement	to become automatically due for payment if the customer wishes to terminate the agreement without giving notice
One-Off Replacement Charge - No Bin Care	£35.00	if no "Bin Care" is purchased with the agreement and a container needs replacing/repairing at fault of the customer
Defacing Bins	£TBC	If a container is defaced, painted or otherwise meant for the container to be repaired by fault of the customer
