

WESTACOTT PARK SURVEY

North Devon Council is asking us for our views on the sale of Westacott Park.

Please take time to read and return this survey.

THIS COULD BE YOUR LAST CHANCE TO HAVE YOUR SAY!!

North Devon Council gave planning permission for a housing development on land at Westacott Grange in 2018. The plans include an access road from Westacott Road, improved play facilities and a games pitch on land owned by the Council (known as Westacott Park).

The Council have not sold the land to the housing developer. The developer has made an offer to buy the land and the Council have agreed to consult local people before deciding whether or not to sell the land.
