To whom it may concern.

I am writing to object to the plans regarding an alcohol license for this premises for the following reasons.

1. It is located in a car park with no landlord to monitor those who will drink and drive.
2. It is next to a surf school where juniors and families are enjoying beach activities.
3. The likely hood of holiday makers drinking and then heading straight into the sea is very likely and that will put further dangers and pressures on the RNLI and coastguard.
4. This 'Car Park' has turned into a circus of market stands, food takeaways, surf school, surf hire etc etc which is taking away from the long-standing bricks and mortar surf shops and pubs in Croyde village.
5. It is a car park...

Thank you for taking the time to read my points and views.

Best Wishes.

Sam Thomas
