Dear Sir/Madam,

I am writing to you to support this application for an alcohol license for this venue. I have seen several demeaning posts about litter on our lovely north Devon beaches on social media and how granting this establishment a license will cause more issues. Couldn't disagree more, litter is caused by people buying alcohol from supermarkets and leaving it behind and disrespecting the area we live, not by a licensed establishment serving food in and around Croyde.

I have eaten in this café several times over the summer months and also had a beer from the bus that was parked in the car park and witnessed no dumping of rubbish or anti social behavior.

I do not know the owners of this café but felt obliged to write in after seeing the comments on social media, which incidentally resulted in most people saying they were in favour of an alcohol license.

Thank you

Simon Gracia
