Subject: Downend Car Park - Croyde - Application

Hi,

I recently seen that there has been a license applied for at Downend Carpark in Croyde. I understand that there may be some complaints over this, however my email would be in support of this license. Croyde is getting busier and busier, there is plenty of business for everyone, plus its a great spot to have a beer and a curry after a surf. There was a post in the local community facebook group, encouraging locals to complain - to which most locals went against, actually hoping for a license to be granted - so I and many others hope it is.

Kind Regards

Sean Maguire
