Report Date: 18th January 2022

Topic: Hackney Carriage and Private Hire Policy – The Statutory Taxi and Private Hire Vehicle Standards.

Report by: Katy Nicholls, Public Protection Manager

1. INTRODUCTION

- 1.1. This report seeks to consult members of Licensing and Community Safety Committee ('LCSC') on a proposed draft revision to the North Devon Council's Hackney Carriage and Private Hire Licensing Policy (the 'policy'). This follows a period of public consultation which was undertaken earlier in 2021.

- 1.2. Approval for the Licensing Service to begin a formal public consultation on North Devon Council's Hackney Carriage and Private Hire Licensing Policy (the 'policy'), (found at **Appendix A**) relating to the Department for Transport Taxi and Private Hire Vehicle Standards (the 'standards') found at **Appendix B**, was given at the meeting of 13th October 2020, with a consultation running from 14th December 2020 to 8th February 2021.

2. RECOMMENDATIONS

- 2.1. It is **RECOMMENDED** that Licensing and Community Safety Committee:

- 2.2. Consider the representations received in response to the recent consultation process at **Appendix C**.

- 2.3. Consider any further amendments that it would wish to make to the revised policy found within **Appendix A**.

- 2.4. Make recommendation to the Strategy and Resources Committee for the approval of a revised policy.

3. REASONS FOR RECOMMENDATIONS

- 3.1. To ensure the Council's policies are regularly reviewed and kept up to date.

- 3.2. To increase the robustness of the Council's approach and procedures in respect of protecting children and vulnerable adults.

3.3. To meet the Department for Transport request of considering the measures contained within the 'Department for Transport Taxi and Private Hire Vehicle Standards' (the 'standards').

4. REPORT

4.1. North Devon Council (NDC) approved the policy and associated conditions of licence for the Hackney Carriage and Private Hire trades in August 2016.

4.2. Section 177 of the Policing and Crime Act 2017 enables the Secretary of State for Transport to issue statutory guidance on exercising taxi and private hire vehicle licensing functions to protect children and vulnerable individuals who are over 18 from harm when using these services.

4.3. Following consultation with trade, regulators and safety campaign groups, the Department for Transport on 20th July 2020 issued the document entitled "Statutory Taxi and Private Hire Vehicle Standards. The focus of these minimum standards is on protecting children and vulnerable adults however all passengers will benefit from the recommendations, which aim to better regulate the hackney carriage and private hire sector. To a large extent, consideration and implementation of the Standards replaces the need to consider taxi standards on a local basis.

4.4. This authority is expected to publish its consideration of the recommendations and measures in the standards, and 'must have regard' to the Standards when exercising Taxi Licensing functions. The Department of Transport will be monitoring all authorities and expects all the recommendations and measures to be implemented unless there is a compelling local reason not to. The Licensing and Community Safety Committee considered its response to the DFT Standards at the meeting on 13th October 2020 including the authorisation of the above public consultation into proposed changes.

4.5. An assessment was previously made listing and categorising all the recommendations and measures and whether or not this council's current policy met them by indicating:

4.5.1 fully meets (green)

4.5.2 partially meets (amber), and

4.5.3 does not meet (red).

This assessment has been updated to reflect progress made on these matters and is reproduced below.

4.6. At a meeting on 13 October 2020 the LCSC discussed the assessment and resolved –

- to agree to the proposed timescales, review and consultation processes for considering the measures and recommendations as outlined in the Department for Transport Statutory Taxi and Private Hire Vehicle Standards documents submitted to that meeting.
- A proposed policy (with changes) to be brought back to the LCSC as a result of the consultation.

4.7. A summary of the Department for Transport Standards, the current Council position, and the proposed actions and timescales is found at **Appendix D**.
