### 3. REASONS FOR RECOMMENDATIONS

- 3.1. To approve the level of discounts to certain properties for the financial year commencing 1 April 2022.

### 4. REPORT

- 4.1. The determinations are made by North Devon District Council for the financial year 2022/23.
- 4.2. They are made under its powers contained in The Local Government Finance Act 2012 and the Council Tax (Prescribed Classes of Dwellings) (England) (Amendment) Regulations 2012 (SI 2012/2964).
- 4.3. Section 12 (2) of the Local Government Finance Act 2012 allows local authorities to set a council tax rate for long term empty properties of up to 200% of the normal liability. A 'long term empty property' must have been unoccupied and substantially unfurnished for at least two years.
- 4.4. From 1 April 2020 the Rating (Property in Common Occupation) and Council Tax (Empty Dwellings) Act 2018 enabled Councils to charge a maximum of 300% of the normal liability against property that has been unoccupied and unfurnished for at least 5 years. This charge was approved by members and applied from 1 April 2020
- 4.5. From 1 April 2021 the Act also enabled Councils to charge a maximum of 400% of the normal liability against property that has been unoccupied and unfurnished for at least 10 years. The introduction of this new charge from 1 April 2021 was also approved by members and applied from that date.
- 4.6. There have been no subsequent changes to this legislation so this report seeks confirmation from members that these charges continue to be applied from April 2022.

4.7. Government confirms that billing authorities are free to make their own decisions when administering these premiums. They advise that billing authorities should decide whether or not properties that are available for sale or rent, and which are being actively marketed, should be excluded from the additional charges. Because there is no legal definition of being 'actively marketed', and for the avoidance of legal challenge, the recommendations above apply to **all** properties which are unoccupied and unfurnished as they have been in previous years.

4.8. This report is to confirm the discounts and levy for the financial year commencing 1 April 2022.

- Class A and Class B (unoccupied and furnished) – discount of 0%.
- Class C (unoccupied and substantially unfurnished) – discount of 100% for up to three months) For the purpose of Class C, in considering whether a dwelling has been unoccupied for any period, any one period, not exceeding six weeks, during, which it was occupied shall be disregarded.
- Long term empty properties (unoccupied and substantially unfurnished for at least two years – set a council tax rate of 200% of the normal liability.
- Long term empty properties (unoccupied and substantially unfurnished for at least five years – set a council tax rate of 300% of the normal liability.
