

UKSPF Interventions :	E1: Funding for improvements to town centres and high streets, including better accessibility for disabled people, including capital spend and running costs	E2: Funding for new, or improvements to existing, community and neighbourhood infrastructure projects including those that increase communities' resilience to natural hazards, such as flooding. This could cover capital spend and running costs	E3: Creation of and improvements to local green spaces, community gardens, watercourses and embankments, along with incorporating natural features into wider public spaces.	E4: Enhanced support for existing cultural, historic and heritage institutions that make up the local cultural heritage offer.	E5: Design and management of the built and landscaped environment to 'design out crime'.	E6: Support for local arts, cultural, heritage and creative activities.
Levelling Up Mission/s:	Mission 8: Wellbeing Mission 9: Pride in Place Mission 10: Housing Mission 11: Crime	Mission 7: Health Mission 8: Wellbeing Mission 9: Pride in Place	Mission 8: Wellbeing Mission 9: Pride in Place	Mission 9: Pride in Place	Mission 9: Pride in Place Mission 11: Crime	Mission 9: Pride in Place
North Devon Council:	Small grant scheme to support town centre activity around shop frontage refurbishment, vacant property meanwhile uses, adaption of 'above the shop' units to housing Match for the Urban Renewal work in Ilfracombe - could support small town-based projects to help raise civic pride and inclusion	Barnstaple Flood Defence programme funding match to bring forward Mill Road development possibly	Townscape schemes and riverfront improvement schemes	We are just finalising the Cultural Strategy and looking at preparing town action plans. There will be funding opportunities from the ACE programmes to cover some capital and revenue projects. Could SPF cover the development of the action plans and some 'quick win' small projects as well as supporting the governance set-up costs	Safer Towns bid has just been submitted - but could we include some priority elements in SPF plan incase we are not successful with that funding opportunity	
Torrige District Council:	Pilot scheme to reactivate vacant units in line with the Cultural Strategy, including the development of example leases, engagement with key landlords. Shop front scheme			Cultural Strategy town plans, including support for existing cultural assets		Capacity to support delivery of northern Devon cultural strategy and leverage additional funding / build wider partnerships. Potential small seed funding for cultural delivery and growth.
Partners:	Petroc: Interested in exploring opportunities for Petroc to support.		Petroc: Interested in exploring opportunities for Petroc to support eg through student groups undertaking projects as part of coursework/work experience NDF C&P Action Group: Nature on prescription programme – this could be extended/varied (Link also to E11) AONB – match to some of the work that they are developing around our green spaces Community allotments/food growing – but need ongoing infrastructure to keep them going	NDF C&P Action Group: Cultural Strategy coordination	NDF C&P Action Group: Neighbourhood crime survey (was Barnstaple only) outcomes could be developed for other key towns Could be opportunities to address fear of crime on older persons housing schemes	Biosphere: Festival 'one week in our Biosphere' - to extend the season into shoulder months Petroc: Collaborative outreach programme to encourage creatives to explore use of local innovation facilities (Fablab & Cotie) to promote self-employment/business creation, including use of Petroc gallery spaces for early career exhibitions, support for digital exhibitions and selling, mentoring from established creatives etc; Improvement of accessible gallery space targeting early-career artists; Potential to run a small grants scheme for early career creatives and creative organizations linked to use of innovation facilities; Art on Prescription activity and other community art provision (including support for community-led programmes/events) to promote participation and appreciation, as well as well-being, especially through linking to green spaces; Improvement to music studio space and provision of outreach and support for early-career artists to access state-of-the-art studio facilities and self-employment support. NDF C&P Action Group: Support a programme of local festivals (links to cultural strategy/action plans too)

UKSPF Interventions :	E7: Support for active travel enhancements in the local area.	E8: Funding for the development and promotion of wider campaigns which encourage people to visit and explore the local area.	E9: Funding for impactful volunteering and/or social action projects to develop social and human capital in local places.	E10: Funding for local sports facilities, tournaments, teams and leagues; to bring people together.	E11: Investment in capacity building and infrastructure support for local civil society and community groups.	E12: Investment in community engagement schemes to support community involvement in decision making in local regeneration.	E13: Community measures to reduce the cost of living, including through measures to improve energy efficiency, and combat fuel poverty and climate change.
