

Appx D - people and skills  
People and Skills

UKSPF Interventions:	E33: Employment support for economically inactive people: Intensive and wrap-around one-to one support to move people closer towards mainstream provision and employment, supplemented by additional and/or specialist life and basic skills (digital, English, maths* and ESOL) support where there are local provision gaps	E34: Courses including basic skills (digital, English, maths (via Multiply) and ESOL), and life skills and career skills** provision for people who are unable to access training through the adult education budget or wrap around support detailed above. Supplemented by financial support for learners to enrol onto courses and complete qualifications. **where not being met through DWP provision	E35: Activities such as enrichment and volunteering to improve opportunities and promote wellbeing.	E36: Intervention to increase levels of digital inclusion, with a focus on essential digital skills, communicating the benefits of getting (safely) online, and in-community support to provide users with the confidence and trust to stay online.	E37: Tailored support to help people in employment, who are not supported by mainstream provision to address barriers to accessing education and training courses. This includes supporting the retention of groups who are likely to leave the labour market early.

Partners:	Petroc: Skills for Young People project				Petroc: HSSAP around in-work promotion and onward career pathways for those in social care/care settings; Skills Support for the Workforce CSW: Continuing the intensive intervention with NEETs - currently ESF funded

UKSPF Interventions:	E38: Support for local areas to fund local skills needs. This includes technical and vocational qualifications and courses up to level 2 and training for vocational licences relevant to local area needs and high-value qualifications where there is a need for additional skills capacity that is not being met through other provision.	E39: Green skills courses targeted around ensuring we have the skilled workforce to achieve the government's net zero and wider environmental ambitions.	E40: Retraining support for those in high carbon sectors.	E41: Funding to support local digital skills.
