Dear Sirs,

I am writing to you in regards of the above application for an alcohol license for Red Panda Partnership T/A Vintage 21 As a longtime resident of the village, I feel that we do not need any more “pop up” bars selling alcohol in the village, especially one that also intends on having music being played during the opening hours.

We have 3 perfectly good pubs in the village and several restaurants and I certainly don't think that the responsible people running these establishments need pop up bars without proper facilities, non payment of Business rates in the village.

Sarah Duncombe
