*Name of the premises you are making a representation about	Red Panda partnerships Ltd T/A Vintage 21
*Address of the premises you are making a representation about	Car park off the footpath 19 to the beach at Croyde
*Which of the four licensing objectives does your representation relate to?	<i>Please detail the evidence supporting your representation. Or the reason for your representation, use separate sheets if necessary</i>
To prevent crime and disorder	<p>The application requests permission to supply alcohol on and off premises and play music indoors all year round.</p> <p>On the point of alcohol supply, there are already a number of permanent outlets in the area that provide alcohol on their premises. These premises are able to control sale and consumption as it is within their property boundary. This application however, proposes the selling of alcohol in a car park from a mobile van. The van does not appear to be large enough to enable people to consume alcohol inside and so it is inevitable that alcohol will be consumed outside and 'off premises' creating an off licence type facility where people will then likely walk into the village or to the beach. The beach road exit is opposite my property and is likely to result in increased noise and disturbance all year round in addition to that already experienced in the summer months. The car park also has no toilet facilities, no seating areas and no amenities as such and so people are likely to leave the area and wander into the village, increasing noise, disturbance and increasing the potential for disorder.</p> <p>On the point of playing music indoors. I am not sure how this is possible given this is a mobile van and any music would be audible outside given it is not possible to contain it within the van unless it was completely closed up which would not enable to sale of any</p>

	<p>products. Again additional noise all year round in this area will create further disturbance in the village which at times in the summer months is already very noisy late in the evening.</p>
Public safety	<p>The van does not appear to be large enough to enable people to consume alcohol inside and so it is inevitable that alcohol will be consumed outside and 'off premises' creating an 'off licence' type facility where people will then likely walk into the village or to the beach. The beach road exit is opposite my property and is likely to result in increased noise, litter and disturbance all year round in addition to that already experienced in the summer months. The car park also has no toilet facilities, no seating areas and no amenities as such and so people are likely to leave the area and wander into the village, increasing noise, disturbance and increasing the potential for disorder and impacts on public safety as once off the premises the vendor would not be able to monitor or control behaviour.</p>

## NOTES

- 1) Data Handling: Persons making representations under the Licensing Act 2003 should be aware that their personal details will normally be disclosed during the hearing process to the licence applicant. They will also appear in any hearing report published on the Council's website. Where an notice of a hearing is given to an applicant, the Licensing Authority is required by regulations to provide the applicant with copies of representations, however in exceptional circumstances where there are fears of intimidation or harassment and the Authority considers that a person has a genuine and well-founded fear of intimidation and may be deterred from making a representation, the Authority may consider alternative approaches. Further information can be found in North Devon Council's Licensing Act 2003 Policy.
- 2) Please complete the form in black ink or type only.
- 3) If you do make a representation, which is considered relevant, you will be expected to attend a meeting of the Licensing and Community Safety Sub Committee and any subsequent appeal proceedings in the Courts. If you don't attend the meeting for any reason the Committee will consider any representations that you have made.
- 4) All representations whether made on this form or not must be returned to this office within the statutory period, starting the day after the application was given to this Authority. The statutory period is 28 days for a full variation or 10 working days for a minor variation.
- 5) The representation must relate to one of more of the four licensing objectives, nothing else can be taken into account. The objectives are:
  1. **The prevention of crime and disorder.** This relates to any crime, disorder or anti-social behaviour at the premises or related to the management of the premises. The licence holder/applicant can not generally be held responsible for the conduct of individuals once they leave the premises;
  2. **Public safety.** This relates to the safety of the public on the premises, i.e. fire safety, electrical circuits, lighting, building safety and capacity, first aid etc.
  3. **Prevention of public nuisance.** This can relate to issues such as, hours of operation, noise emanating from the premises, vibrations, lighting, litter etc.
  4. **Protection of children from harm.** This relates to protecting children from the activities carried out on the premises whilst they are there. The law already provides special protections for children under 18 to buy alcohol.
- 6) Note that it is not acceptable to lobby a councillor who is a member of the Licensing Committee.
- 7) Please return this form when completed with any continuation sheets (which should be numbered 1 of X etc), either to:
