Dear sir/madam

I object to the above application for the following reasons:

The application is in a car park which was granted for 16 cars approximately, and was supposed to aid the parking for locals.

The applicant does not own the land, only the horsebox. Mr Henry Hare owns the land and is trying to commercialise the carpark with the addition of a drinking licence. He already has 3 food outlets parked in this carpark, which have caused considerable damage to the adjoining village hall property by trespass.

I believe there are already 14 other alcohol licences in Croyde. To add another with such a dubious base, is unnecessary and possibly dangerous.

Croyde already has a food van on every campsite and carpark and roadside: they are never moved on by the police or even checked to see who is legally trading. The Croyde residents are sick of it.

Yours faithfully
Richard Windsor
