To prevent crime and disorder	Just selling alcohol to people passing by then wandering around the footpaths and village is a recipe for disorder and crime.
Public safety	The premises is sited on the edge of a public footpath opposite to a public house car park entrance and access to Meadow cottage (private residence) and other areas where trucks and cars are parked..its a narrow entrance with a incline and poor visibility. Bound to lead to public injury.
To prevent public nuisance	The land was granted a licence for parking for local traders. Already the police & environmental health have been called out for the playing of loud music and the area is littered with cans ,bottles and food waste..  A scruffy area already which will only get worse with empty containers being thrown down.
To protect children from harm	Footpath is used by very young children some in pushchairs , for them to see and witness purchase of, and drinking of alcohol on the street is not a positive message or example to give to visitors or our local village children. There are plenty of other well managed drinking establishments in the village.
I/We fully understand that this Representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publically accessible documents, and any subsequent appeal court proceedings. See NOTES for further information.
