Subject: Vintage 21 Horse Lorry

Good afternoon

I've had a call with Councillor Pat Barker regarding the application for grant of a premises licence - Vintage 21 Horse Lorry, Car park at rear of Blue Groove, Hobbs Hill, EX33 1LZ.

She has concerns relating to noise, where they will wash hands and go to the toilet.

I explained I had spoken to the applicant and they had said the music would not be loud, only played so the kitchen staff can hear it – not amplified.

She's not convinced they will abide by this, but I said if they do begin to play music loudly we can investigate and potentially review that on the license. I said I'd pass her comments on.

Kind regards,
