Sirs,

I am writing to oppose the above application, **1. To enable the supply of alcohol on and off the premises Monday to Sunday from 12.00 hours to 21.30 hours. 2. To enable recorded music on the premises Monday to Sunday from 12.00 hours to 21.30 hours.**

1. It looks as though it is intended that customers could buy drinks then wander around the village with them. This is completely unacceptable.

2. To subject residents and holidaymakers to nine and a half hours of music daily is also completely unacceptable, and it would be impossible to escape the noise because it would inevitably be very loud with no controls in place. Other establishments in the village have restrictions that ensure any music they play is not a nuisance. I do not want to be an unwilling recipient of this music every single day in the summer.

3. There are plenty of other establishments serving alcohol in the village. Another outlet is not needed.

4. The proposal would put pressure on residents and the police to keep behaviour, littering and disturbance levels under control anywhere in range of the establishment, including the children's play area and the newly refurbished village green.

5. As is so often the case such an outlet could be the thin end of the wedge that encourages others to seek similar permissions elsewhere in the village.

Please refuse this application.

Sincerely, Jane Bull,

 Croyde.
