To prevent crime and disorder	There has been a rise in criminal behaviour linked to drinking in Croyde in the summer months over the last couple of years, particularly trespass (when drunken people are unable to find their way back to campsites) and theft, especially of bicycles.
Public safety	There are already enough licenses premises to serve the amount of people in Croyde, an additional premises with no seating or toilets and no way of containing the behaviour of those who purchase alcohol there will lead to further behaviour likely to jeopardise public safety, particularly with respect to the trespass mentioned above and the general problem with people all over what can be a dangerous road with no pavement.
To prevent public nuisance	The proposed venue has no toilet and no seating. There is already a problem in Croyde with drunken anti-social behaviour, nuisance and littering. This is not an actual premises with staff available able to curb such behaviour.
To protect children from harm	As mentioned previously, there is no way to contain people purchasing alcohol from these premises which are located at the top of the path down to the beach where many children pass, sometimes unaccompanied. it is also very close to the village playground and skatepark where there is plenty of litter evidence that people go to drink take away alcohol.
I/We fully understand that this Representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publically accessible documents, and any subsequent appeal court proceedings. See NOTES for further information.
