## **7. HARBOUR MAINTENANCE**

### **a. Algae Cleaner**

As suggested by Harbour Master, and implemented by T Piper, this has been a success, and plenty left over for another occasion.

### **b. Hooks Along Causeway**

These have been reviewed under the safety audit and no further action is needed. They were there originally there for boats to be tied at half-tide.

## **8. USERS WORKING GROUP**

Anthony Glover raised reinstatement of the groynes on western beach as they protect the harbour mouth and foreshore, and prevent flooding by over topping waves. It was confirmed this has been raised with Chief Engineer at NDC, Tara Jenkins who has included groynes in her grant application for flood prevention works.

## **9. SAILING CLUB**

- Sailing club had their bonfire on November 5<sup>th</sup>
- Town Clerk asked Sailing Club to tidy the dinghy park.

## **10. NEXT MEETING**

Will be held on Monday 6 March 2022.

The meeting closed at 5.15pm
