Dear Sir/Madam

As a frequent local customer of the Woodpecker I was shocked to learn from Jamie and Tina that their licence may be under review.

The Woodpecker is a lovely place to go with family and friends, fantastic for children and I for one would be so disappointed if it were to close. Being a local (Ilfracombe) resident it is so nice to find a lovely, welcoming, quiet place to enjoy some excellent food and a glass of wine.

It really would be a shame for this restaurant to lose its license.

Yours faithfully

Sandy Burkett
