Re: **TICKET KIOSK QUOTATION**

Our Ref – WTGS023

Dear Georgina,

Further to your recent enquiry regarding your interest in purchasing an additional kiosk for Ilfracombe Harbour. We enclose below our quotation and a specification based on a similar design as Hutching's kiosk.

**KIOSK SPECIFICATION**

Fully welded galvanised base frame

Adjustable levelling feet

Sloping roof design

18mm Phenolic floor panel

25mm Composite wall panels – roof panel

Black Anodised aluminium framework

Roof advertisement fascia

Side personnel access door

1no Manual weather protection awning 1500mm projection

2no Powder coated manual full height security shutters

Fixed internal serving counters with shelving below

Glass upstand

Adjustable shelving on rear wall top

Peg board below rear wall shelves

2no drop down floor extensions to display buckets

2no – 2 gang sockets

Internal LED Batten lighting

RCD Consumer unit and MCB's

External Rotor switch

Electric test certificate

Total cost for the above kiosk including delivery

**£23,496.00 excl VAT**

Regards

Scott Hartopp
