*Please see the following section on Criminal Record Disclosures for additional fees which may apply to your application.	

## Criminal Record Disclosures

The Licensing Team will require applicants to provide evidence of criminal record disclosures to ensure the suitability of applications for certain licences and permits.

There are two primary routes for gaining such checks, and these are dependent on the nature of the licence or permit applied for. They are typically gained either via the Disclosure and Barring Service (DBS) or a Responsible Organisation (a third party registered with DBS). The following disclosure requirements and fees currently apply. Please note that fees are not payable directly to North Devon Council and as such please be mindful that they are subject to change.

All disclosures are handled according to a **Code of Practice**, a copy of which is available on request.

Further information about the DBS is available via:

<https://www.gov.uk/government/organisations/disclosure-and-barring-service>

## Taxi and Private Hire Driver's Licences

An Enhanced DBS Disclosure is required for new driver applications and every three years thereafter.

Fee for Enhanced Disclosure via the DBS	£44.00
Administration fee for GBG Group PLC (North Devon Council's preferred umbrella body for Enhanced Disclosures)	£11.40 electronic application
	£24.00 non-electronic application

Electronic DBS applications will require payment to be made online to GB Group PLC when drivers make their online application. Non-electronic applications are not recommended but in these cases drivers will need to make the above payment to North Devon Council (who will in turn pay GB Group PLC).

Drivers using GB Group will have a choice of undertaking their ID verification either at the Council (at one of their offices in Barnstaple, South Molton or Ilfracombe) or at Barnstaple Post Office, Queen Street, Barnstaple. The Council's preference is that drivers use the Post Office for ID verification.

Fee for identity verification with North Devon Council	£6.00
Fee for identify verification with Post Office	£6.00

Where an applicant is unable to verify their identification using Route 1 information, such as a full driving licence, passport and utility bills; the DBS requires identification using Route 2 identification checks (using credit reference

## Appendix 5

agency data). If applicable, a member of the Licensing Team will let you know, as a signed authority is required first before the Council will perform the check. An administration fee will be payable to North Devon Council in these circumstances to cover the cost of the Route 2 check.

Route 2 check: £10.00

The DBS provides a service called the **Update Service** which is highly recommended for drivers. For an annual subscription drivers can keep their DBS Enhanced Disclosure up-to-date and take it with them from role to role, within the same workforce, where the same type and level of check is required. This can save drivers both time and money. Application must be made within 19 days of the date of issue of the certificate.

Sign up to DBS Update Service: £13.00

### **Basic Criminal Record Disclosure**

Basic Criminal Record Disclosures are applicable for licences and permits including, scrap metal site and collector licences, private hire operators, personal licences and gambling related permits etc. The applicant will receive a copy of the disclosure information for their reference and the Council will request to examine this information in order to help determine the outcome of the relevant application. These documents are generally only valid for a limited period depending on the nature of the application.

Applicants can gain their Basic Criminal Record Disclosure from a Responsible Organisation (a third party registered with DBS). A list of Responsible Organisations can be found at:

<https://www.gov.uk/guidance/responsible-organisations>

Cost and return times vary with chosen Responsible Organisation.

For personal licences the alternative is a **Devon and Cornwall Police Access Search** available from:

Data Protection Office  
Strategic Development  
Devon and Cornwall Police  
Police HQ  
Middlemore  
Exeter  
EX2 7HQ

Tel: 01392 452675  
Email: [www.devon-cornwall.police.uk](http://www.devon-cornwall.police.uk)

Cost approx. £10.00 but return times are longer than a Basic Criminal Record Disclosure completed via a Responsible Organisation.

**Please note:**

- a. any person requesting any service under the PWSR 2009 is liable for the cost
- b. alternatively, fees are payable as specified in the invoice by the relevant person, as defined by Section 80 (7) of the Water Industry Act 1991:
  - i) *“the owners and occupiers of those premises; and*
  - ii) *whether or not the source of the private supply is in that authority's area, the owners and occupiers of the premises where that source is situated and any other person who exercises powers of management or control in relation to that source”*

Appendix 5

c. where more than one person is liable, we, in determining who is required to make payment:

i) may apportion the charge between them; and

ii) must have regard to any agreement or other document produced to the council relating to the terms on which water is supplied

d. customer requests for sampling which either fall:

i) completely outside regulatory control, or

ii) certain or, all specialist monitoring parameters fall outside regulatory control will not normally be undertaken. However, if the Head of Environmental Health and Housing Services decides monitoring can be justified in the interest of public health, it may be undertaken at their discretion, provided the customer agrees to pay in full for all services received, e.g. officer and laboratory costs.

**If you have any further queries, please telephone Environmental Health and Housing Services on 01271 388870.**
