#### APPLICATION DETAILS

-----  
Application Type: Premises Licence WITH Alcohol - Variation Application  
Application Number: 057749  
Licence Number: PLWA0904  
Date Submitted: 06/03/2024

#### REPRESENTATION DETAILS

##### Details of Representation Made:

As a direct neighbour of the hotel my main concern is in respect of activities under items E and F. The playing of live or recorded music until 1 am Monday to Sunday. This could dramatically affect the use of my garden and my ability to get a good nights sleep. I have been assured by the current owners that there will be very little change from the current situation in regard to noise. Item J Consumption of alcohol off-premises. I have been assured that this application is for alcohol to be consumed within the boundaries of the hotel and not the local beaches.

Licensing Objectives Relating to Representation:  
Prevention of public nuisance

##### Supporting Evidence:

When the hotel had a marquee in the grounds for weddings the noise was often unbearable late into the night. I would not like to go back to that situation and I have been assured by the owners that this not be the case.
