Hello

I am writing to you regarding the Sandy cove licence application. I fully support their application and see no reason that neighbour is trying to fight it. They provide numerous jobs to the local area and are open all year round for locals. For years now I regularly walk to broadsands beach past the hotel and even on weekend with weddings going on have never heard any noise. I have also been for drinks on the terrace and have only heard voices from below. In my opinion to try and fight this application is absurd and I see no reason behind it.

Kind regards  
Ben Thorne
