I am writing to you to support the Licence application from Sandy Cove, Berrynarbor, EX34 9SR.

Sandy Cove is a long established local business which employs a number of local people. It is a very well run establishment and a popular wedding venue which attracts people to the area which is good for the local economy. The music played at these wedding functions is not loud and is in keeping with this type of function. I understand the Off Licence license applied for is to allow drinks to be served at the outdoor area of the wedding venue which would alleviate the necessity for wedding guests to walk up the rather steep path to the main Hotel to purchase drinks and then have to carry their drinks back down the path to the wedding venue.

I fully support this application and believe this would be a great help to this hospitality venue after the struggles of the last few years.

Regards

David Richards (Combe Martin Parish Councillor)
