Ref the above.

I would like to show my support for this application, Sandy Cove hotel support the local economy by employing several local people and having a few holiday cottages I now some of my guests have used the hotel for food and drinks.

An off licence and outside music licence application is a great idea for people who wish to hold their wedding or anyone have a party.

Sandy Cove is very popular place and I for can't think of a reason not to approve this application.

Yours Faithfully  
David Richards.
