Good Evening,
I hope this finds you well?

I am a regular user of the Sandy Cove Hotel and have recently seen their licence application for new improvements and updates.

I must say the hotel is an asset to the local community and we can all appreciate the jobs and custom they provide for the locals. I fully understand the updates they wish to make and can only see positive outcomes from this.

Although I do not live extremely close to the hotel I have stayed in the hotel before and can confidently say that the wedding venue produces a minimal amount of noise, even with the hotel being so close.

Therefore I think it would be good for you to consider the positive effects a licence update will have on attracting more business for the area and supplying benefits for the community.

Kind regards ,
Eryl Bawn
