To who it may concern

I am writing with regard to The Sandy Cove Hotel of Berrynarbour, Ilfracombe EX34 9SR; application reference no 057749 for Variation of Premises Licence, to voice **my full support** of the changes they wish to make to their licence.

I have been a resident of North Devon for 40years and consider my self a local to Ilfracombe and the surrounding areas. I have also worked closely with The Sandy Cove Hotel in a professional capacity for the passed 5 years.

I have always found The Sandy Cove to be extremely thoughtful and respectful of the area and the locals that live here. The changes to their licence are merely adding to a service they already provide so I see no reason why these should not be acceptable. I don't believe these changes will make any significant difference to the service they already provide.

The Wedding business that Sandy Cove attract bring a tremendous amount of revenue to the local area and many visitors to North Devon who otherwise would not come. This can only be a good thing for the area. I am a wedding and event florist and I am just one, of many many suppliers, that hugely benefits from the business that Sandy Cove provide.

Any improvement and additional services they would like to add in order to improve their service to tourism, and events, in North Devon I support whole heartly.

To add to my support I can say that in my experience the staff managing the events at Sandy Cove are extremely professional and make sure their guests and suppliers are fully aware of the noise and time restraints within their licence. I have first hand experience of this.

If I can be of any further assistance in this matter please do not hesitate to contact me.

Yours sincerely

Hannah Burge
