Good Afternoon!

This email is regarding the Sandy Cove Hotel, Berrynarbor, Ilfracombe EX34 9SR and their attempt to update their current licence.

Application reference: 057749

My family and I have been using the hotel for many many years and I believe the hotel is an asset to the community and provides good trade for other local businesses. We have read their notice displayed outside the hotel and fully understand what they intend to do. The changes are an extremely positive thing and in my opinion are a good idea.

As someone who lives locally to the hotel I have never heard any complaints about noise levels from the hotel or the wedding venue and think they genuinely keep to a respectful noise level, that does not negatively effect the local community.

The hotel have made many changes to over the years to keep locals happy with the way that they run. Therefore I think they would never make any changes to the business that would be detrimental to the community.

Kind regards ,
