To whom it may concern,

We are writing to express our support for the Sandy Cove Hotel (Berryarbor EX34 9SR) and their recent application for a variation to their licence ([057749](#)). We live very close by and have never found noise levels to be a problem and in fact enjoy having such a high-quality, well-run establishment on our doorstep. It appears to be very well-maintained and successful, as they take care of the grounds and presentation of the local area. The owners are always very friendly and welcoming and employ many local people. Furthermore, we firmly believe the hotel's success benefits the wider community by drawing in much needed tourism and business to the other surrounding businesses who depend on this trade both in and out of season.

Yours sincerely,

Laura & Jonathan Maughan
