Dear Sir or Madam,

I am emailing you in relation to licence case for Sandy Cove Hotel & The Venue, Berrynarbor, Ilfracombe, EX34 9SR. Application: 057749. It has come to my attention that their licence is under protest via a complaint about the noise generated at the venue. I am a photographer who works there regularly and I just want to put forward my opinion on how the weddings and celebrations there are run. I feel that the hotel looks after their guests and suppliers alike very well. They have a planner/coordinator on the day and I have always seen each and every wedding run really smoothly. They do look at sound levels with bands and DJ's alike and all the doors are closed at 10pm, keeping the noise levels to a minimum for their neighbours. It would be an utter shame if their license was revoked for such a reason. Many people rely on the hotel and venue for employment and income. I can certainly vouch for them working at their upmost to keep everyone happy. If you would like to discuss this further with me you can reach me on [REDACTED]

Kind Regards,
Laura Farmer
