Hello

We are regular DJ's at the Sandy Cove wedding venue.

Please find our statement below in regards to the licensing case.

As a very regular DJ' at Sandy Cove for over 7 years now, we are always very impressed with the management and handling of every wedding. It is a very tightly run ship, the staff are always on top of the day's proceedings.

We always notice that the staff ensure the doors are closed promptly at 10pm and staff keep a keen eye on doors to make sure that they remain closed for the remainder of the night.

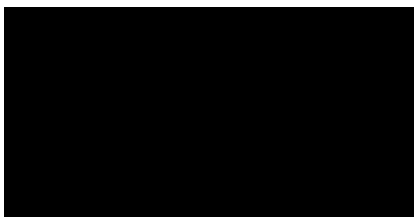

We ourselves are very respectful of the sound levels especially after 10pm. Before becoming such a familiar face at the venue, we remember members of staff specifically asking us to ensure that we keep the volume at levels very conscious of the other guests staying at the hotel. We have always been on very strict orders to ensure all music is turned off no later than 12am. We also know that only trusted suppliers are recommended at the venue.

We are very confident with our own experience that all new suppliers at the venue would be given the same strict instructions that we received, as we are always very aware of the tight handling at each event.

Best wishes,

Lianne Coombes

Inspired Party
