Dear Sir / Madam,

I confirm that I support for the Variation of Premises Licence - Reference 057749, at Sandy Cove Hotel, Berrynarbor, Ilfracombe EX34 9SR, 01271 882243.

My wife and I have visited the hotel many times and we also got married there.

We were given very clear guidance on what was acceptable in terms of the music and noise levels before we booked our wedding. On our other visits we have found this to be a very tranquil setting and there have been other weddings happening, but this hasn't spoilt our quiet enjoyment of the setting.

The staff operate with very high standards and they are professional and polite to guests.

I wholeheartedly support this variation on the licence, as this will enhance the service they can offer to guests with no impact on the wider community or their neighbours.

Kind regards

Paul Banton
