Good Afternoon, to whom this may concern.

I'm sending this email to support Sandy Cove Hotel, Berryarbor, EX349SR, 057749 variation of premier's license application. As a family-run business, we know future changes need to be made for your business to grow and succeed. We started our business behind Sandy Cove Hotel back in 1978. The reason for moving was that we had outgrown our old premises and needed to make a business decision to move forward. Sandy Cove Hotel still has the same family running this business, passing through the generations, that any family loves to see. In my eyes this shows how professionally run this establishment is trading over so many years.

Our family and Business have attended Sandy Cove for various events over the years, through eating out to help out(Covid 19). All these occasions/events have been run with a professional high standard with music levels appropriate and modest. We even sent an email to them after our Christmas evening meal/stay, complementing what a wonderful night had by all staff.

We would like to give our full support on this application and wish Sandy Cove all the best for the future.

Kindest Regards

Mrs P Gove
