RE: Support for the Variation of Premises Licence - Reference 057749, at Sandy Cove Hotel, Berryarbor, Ilfracombe EX34 9SR, [REDACTED]

I'm writing to you in support of the licence variation as referenced above. I have visited the hotel on various occasions, and we got married there in October 2023. On our visits, the staff are always professional and polite. The wedding was well run and managed, and throughout the Wedding planning and the event itself, the hotel were clear on the guidelines for music levels and finishing times. They explained that this is to be considerate of their neighbours and the wider locality. We knew this when we booked the venue and we also shared this with our guests. At the evening event, the staff ensured that this was adhered to at all times, making sure the music finished at the agreed times, noise levels weren't exceeded and that guests were politely reminded about being mindful of noise outside when returning to the hotel. This is a family run business and they are clearly very conscientious about their impact on their neighbours. I don't believe that any adjustment to the license would impact this.

Yours faithfully,  
Sally Crawford
