

## **North Devon Council**

Report Date: Monday, 1 July 2024

Topic: Site at South View, Bratton Fleming

Report by: Helen Bond, Property Manager

## 1. INTRODUCTION

- 1.1. This report relates to a site disposed of as a surplus asset in October 2014, the subject site was a small garden plot adjacent an area of open space still owned by North Devon Council (NDC). The site was subject to an overage provision for an uplift in value once developed. There is now a 4 bedroomed house, partially completed, on the garden plot.
- 1.2. An earlier report was presented to Strategy and Resources in June 2023 with regard to the overage provisions on the site and vehicular access and parking.
- 1.3. Members resolved at the June 2023 Committee that the current owner pay £5,000 to release the overage and a sum of £50,000 for the right to create a vehicular access and parking to the property, this being by granting a right of way, the route of which was at the discretion of Council Officers.
- 1.4. Following that decision, the site owner reverted back to the Property Manager requesting an additional area for parking be agreed in order for them to be able to dispose of the 4 bedroomed property being built on this site.

## 2. RECOMMENDATIONS

2.1. That members approve the payment of £60,000.00 to release the overage and grant a right to create a vehicular access to the subject property with an additional defined area of the Councils' adjacent site for parking.

#### 3. REASONS FOR RECOMMENDATIONS

- 3.1. With reference to the recommendations in the previous report, the additional payment of £5,000.00 above the £55,000.00 previously offered provides a sufficient payment to allow for the parking spaces allocated to the property, and concludes this long outstanding matter.
- 3.2. As was stipulated by the Ward Member and Property Manager, subject to Planning Permission being granted for the access and parking, in principle the proposal was acceptable subject to Strategy and Resources Committee approval. Planning Permission was granted at Planning Committee on the 5<sup>th</sup> June 2024. 78375 Planning Report (northdevon.gov.uk)
