# 7. HARBOUR MAINTENANCE

## a. Unauthorised fixing of flags to railings

Town Clerk spoke about Regatta flag poles which were left out on the bridge for a lot longer than they should have been. These are close to the area where damage has occurred to the overflow installations, which LTC are working on with Environment Agency. LTC/NDC do not wish for EA to suggest the damage was caused by the installation of flag poles fixed to the railings.

- 8. USERS WORKING GROUP No updates
- **9. SAILING CLUB** Submitted a report which is attached to these minutes.

#### 10. NEXT MEETING

Will be held on Wednesday 16 October 2024, 5pm in Lynton Town Hall.
