Thank you, Sam Bowden and Louisa Freemantle for explaining your plans for the premise when Noel Bourke, NDDC Licencing Team, and I visited at **1003 Hours** Tuesday 23rd July 2024. We discussed.

1. The Application and the timings you will be open.
2. You have learnt from TENs and the learning curve has been useful. The realization that there is not a necessity for SIAs to be present as the customer base are families and surfers.
3. You reiterated that it will **NOT** be a festival site.
4. The serving of alcohol will be with food predominately.
5. We spoke about Off Sales and how you, and your staff, will deal with customers who remain at the tables after you have closed.
6. The premium prices for your alcohol will discourage the casual customer buying and taking it to the beach.
7. Like your food the ciders, lager's, pale ales, cocktails, wines are locally resourced, and alcohol will largely be in cans.

8. You will minimize the use of plastic/cardboard glasses and only on request from the customer to prevent the wind from blowing them into the area in front of the bar.
9. CCTV and the position of the cameras to the front of the bar.
10. I have attached a 'Drugs Policy' together with 'Current Trends' for your information.
11. You will be the DPS and Sam has a PL. Louisa intends to get her PL.
12. I showed you some fake IDs and what to look for.
13. **Blue Notice** and advertisement in the local paper.

As spoken about please find attached some proposed conditions. Have a look and get back to me with any questions.

Kind regards.

Paul.
