Dear North Devon Licensing

I'm writing to offer my support without reservation for the application of the premises license for Freshwell camping. Reference 058623/grant of premises license for Freshwell Camping.

I have known the team at Freshwell for 5 or 6 years, as both a customer and business relationship, including support of collaborations with the vineyard. They run an exceptionally good operation, including a very diligent and proactive approach in their management of both the environment and impact for surrounding neighbours. I have attended many of their events, which have all gone smoothly, and have all been run very responsibly.

Their mindset to help support and collaborate with local businesses, musicians, producers and charities whilst at the same time encouraging sustainability is fantastic to see and creates a lovely vibe which the whole community and tourists learn and benefit from.

I look forward to more events from the team with the same ethos.

Thanks and best wishes

Matthew Fleetham
