| <p>I have been a regular visitor to North Devon, and in particular Croyde and Freshwell campsite for over 10 years. The atmosphere and the campsite values are still so refreshing, maybe in more so today. The Campsite is run as a very family friendly, all welcoming, environmentally conscious, and low impact site.</p> <p>With Freshwell Campsite being sited at the far end of Moor Lane does mean for young families and older customers you are very limited to licensed premises, actually the only one been the very commercial Parkdeen (Ruda) holiday campus.</p> <p>By Freshwell offering licenced premises and fitting with the site culture will continue to only give positive experiences to the customers and offer great choice to customers staying at the campsite wishing to stay local and enjoy the area to its fullest.</p> <p>Freshwell Campsite represents the best of North Devon and should be supported.</p> <p>I am happy to be contact if you have any follow up questions</p> | |
| <p>I/We fully understand that this Representation will be made available to the applicant and included in the Sub Committee's Hearing papers which are publically accessible documents, and any subsequent appeal court proceedings. See NOTES for further information.</p> | |
