186/18 MINUTES

RESOLVED

Minutes of the Full Council meeting held on 13 December 2018, copies of which had been previously circulated, were confirmed as a true and correct record and signed by the Mayor.

With Members' permission, Chairman brought forward agenda item 7. Off Street Parking Order

187/18 OFF STREET PARKING ORDER

a. Hotel/Guest House Permit

It was explained how ultimately this will be a North Devon Council decision. NDC officers felt it was an unfair system, difficult to police, and open to fraud. It was also noted this particular permit is not available anywhere else in North Devon.

However, after much discussion it was felt there were two options; either to leave exactly as it is, or to completely do away with these permits. It was

RESOLVED

As a temporary measure, retain the permit as is, and review it with North Devon Council Car Park Manager before next year.

b. Cllr Hibbert Motion for Special Resolution.

In line with Standing Order 30; Reversal of Previous Resolution, I wish to submit this notice of motion containing signatures of at least eight Town Councillors to have an agenda item in place for debate at Full Council 31 January 2019 regarding the off street parking order as it applies to 'maximum 4 hours stay' in Lower Lyndale Car Park, Lynmouth with potential to raise a special resolution and overturn the resolution of council made within the last six months.

Councillor Hibbert felt this was a bad resolution and will create more parking problems in Lynmouth. However North Devon Council view Lower Lyndale as a signature Lynmouth car park, and as such should have a high turnover as a short stay car park. It was

RESOLVED

The resolution at Estates and Amenities of 9 January 2019 (177/18) be rescinded and the car park remain as it is. There were 4 votes in favour, 3 votes against, 1 abstained.
