<p>C&amp;C L 03 19/20 Regulators' Code (came into effect 6th April, 2014) Was CSS 03 15/16 transferred from EH&amp;H 2015/16 Service Plan</p>	<p>Executive approval of a Corporate Enforcement Strategy and Policy. A review of service specific policies against the new framework.</p>	 <p>90%</p>	<p>12-Mar-2019 <b>SMT Extension of Time Request July 2019.</b></p> <p>Trevor Blatchford and I met today (29/01/19). Whilst both of us have drafted Enforcement Policies, neither are close to being finalised or at a stage ready to consult staff. As such the deadline for the March Executive is unrealistic. We have scheduled a further appointment for the 26 February 2019 to finalise the two documents considering the EHHS one needs to link into the Corporate document and thus this is a partnership project. I have spoken to Bev Triggs to remove this as an item from the March Exec agenda, but I am unable to specify another near alternative date as the meetings have yet to be scheduled for the year. When the Executive schedule becomes available I will provide a further update as to a proposed committee date.</p> <p><b>Note from the 2019/20 Service Planning Process - No Extension of Time was Requested</b></p> <p>The Code applies to nearly all non-economic regulators. The guidance needs to be reflected in the Council's enforcement policies. There is an expectation of more performance information being posted on the net, e.g. performance against service standards, number of complaints and hearings, etc. A paper setting out the implications of the Code and an action plan, will be presented to SMT/Leadership Team in Q4 2014/15.</p>	30-Jun-2015	31-Jul-2019
