1.4 This is the fourth annual report on the agency performance and financial management for the 2019/20 financial year. The report aims to update members on progress against the 14 review recommendations put forward by the review team and to receive the financial outturn for the agency for the 2019/20

2 RECOMMENDATIONS

2.1 That members note the annual report and that the actions being taken to ensure that performance against the 14 review recommendations is at the desired level.

3 REASONS FOR RECOMMENDATIONS

3.1 A full review of the agency function has been carried out to determine value for money in service provision. Regular reporting will enable transparency over progress and early support and/or intervention if required.

3.2 If the annual report doesn't demonstrate and evidence significant progress towards the recommendations this will enable North Devon Council to exit from the agreement and bring those services back in house.

3.3 To inform members of actual performance against the review recommendations.

3.4 To ensure the Lynton and Lynmouth Agency is properly and legally set up.

4 REPORT

4.1 A summary annual report on the 2019/20 agency performance and financial outturn from the Lynton and Lynmouth Town Clerk is shown in **Appendix A**.

4.2 The aim of the agency review that was carried out in 2015 was to:

- To create a position statement of the Lynton and Lynmouth agency agreement
- To detail any changes from the original agreement

- To produce a performance report of agreed services and assets with any associated issues and risks
- To provide a cost v benefit analysis against possible future options

4.3 The review team put forward 14 recommendations to ensure moving forwards service levels were consistent with the rest of North Devon Council services areas and to also deal with the issues and risks highlighted throughout the review process.

4.4 The 14 Recommendations were:

1. Introduce the port marine safety code to the harbour
2. A recharging of services in adherence to the Service Reporting Code of Practice to improve the accuracy of the accounts and justify costs
3. Budgetary process and approval to spend should be aligned to the North Devon Council process
4. Accounts to be subjected to NDC internal audit programme
5. Adherence to data protection legislation
6. Compliance with Environmental Protection Act 1990 with regards to street cleaning
7. Provide technical support for providing North Devon Council compliant services
8. Customers to have the same access to services as North Devon Council services
9. Explore a joint way forward to reduce public convenience costs as part delivering the public convenience policy
10. Improved management for issuing parking fines including monitoring of performance
11. Cash collection and counting to follow North Devon Council procedures
12. Inclusion of the car parks in the proposed North Devon Council car park review
13. Joint procurement to realise potential savings and compliance with EU regulations
14. Comply with all Health and safety requirements

4.5 Progress against the review recommendations has been monitored through the Council's performance management system (Pentana).

4.6 The only remaining review recommendation to be completed is in relation to exploring a joint way forwards to reducing public convenience costs and this action is reliant on North Devon Council carrying out a wider review of all public conveniences across the District.

5 RESOURCE IMPLICATIONS

5.1 Following the agency review, the revised forecast figures presented by Lynton and Lynmouth Town Council were projecting a net budget surplus (excluding parking fines) of £48,912; which was in line with the in-house North Devon Council costing put forward as part of the review process.
